CUBAN IMMIGRANTS OBEY THE GOSPEL OF CHRIST

Lazaro and Mileydis are a Cuban couple who immigrated to the United States a few years ago in order to seek to live in freedom. They came to know the church in **Tampa, FL** through our school supply give away ministry. After a few visits to our Spanish service, they decided to start studying the Bible with Maritza and me. This past Sunday, they decided that just as they had achieved earthly freedom by coming to this country, so they also wanted to obey the gospel and be baptized for the forgiveness of their sins and thus achieve spiritual freedom from the slavery of sin. Glory to God! For His church and for His gospel that transforms lives like this couple this past Sunday. Please, keep them in your prayers.

THE NEW CHURCH PLANTED CONTINUES TO GROW

30 PEOPLE WITH VISITORS

On December 3, I traveled with Maritza to the city of **Palmetto, Florida**, with the purpose of having several studies with some couples and preaching at the new church on Sunday afternoon. As a result of these studies, two people are considering obeying the gospel and going down into the waters of baptism very soon. Please pray for this new church that is just 2 months old.

NEW GRANDSON

Maritza and I are so happy to formally announce the news of our new grandson, Everett George. He was born on October 11 of this year. We are all happy for his arrival and ask for his prayers for Astrid and Everett George.

COLOMBIAN COFFEE

As some of you may know, I like coffee. Especially South American coffee. This place that I found has a very special coffee, whose origin is Colombian.

Colombian coffee is coffee that has been grown in the various departments within Colombia. It is not its own variety of coffee bean. Colombian coffee is prized for its excellent flavour and aroma as almost all the coffee grown is of the arabica variety.

**PLEASE
PRAY FOR**

Our health, ministry, daughters, son in laws & grandchildren. The new church in Palmetto, Florida, the Latin America (including the USA) congregations working with our mission training program and/or receiving our coaching.
