## School of the Bible

In mid-February we began a new semester of the School of the Bible. We are offering two courses, Biblical Theology and the Life of Christ. Each course is offered Tuesday night and Saturday morning, so we have two classes happening of each of these courses.

Our enrollment is much better this year than compared to the first semester last year. We have over 60 people participating in these studies.

We have had lots of good feedback from those participating. Please keep this ministry in your prayers.

## Teaching at a Bible College

In the beginning of March, Nathan went to the western part of Brazil to teach at a Bible college for the second time. He did a short course (meaning just one week, Monday thru Friday, from 8:30-4:00) on the book of Galatians. He enjoyed visiting with the staff at the Bible college and catching up with a few of the ministers and members from the church that meets in that city. He also enjoyed getting to know the students (two of whom were previous interns in Niterói), and as always was on the lookout for potential Timothy Project interns.

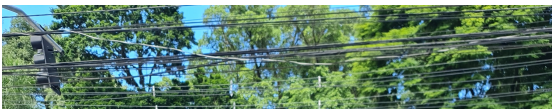

This is the class Nathan taught, three faculty from the college are also in the picture.

## Evangelism

Every other week we go out and talk to people on the street and invite them to participate in School of the Bible. This last time we invited people to a basic English and Spanish course our interns will be offering, we asked people if they have prayer requests, and we invited them to church.

Pictured are three of our interns talking to people.

## Sewing Class

Last week a member from our church began a new term of her sewing class. She is offering a class Wednesday morning and afternoon in our School of the Bible classroom.

The classes are free and we use the opportunity to try to meet and invite the women who are participating to church activities.

Every class there is a short devotional followed by a time of prayer. The women share their prayer requests and then we close in prayer. We appreciate so much that Vera is using her talents in this way to try to reach more of the ladies in our community.

## Thank You!

We want to take the opportunity to say thank you for your continued financial support! We could not be here doing this work were it not for people like you.

### **Prayer Requests:**

Thank you so much for praying for us and our work. The following are a few of our prayer requests:

1. For Emar, Gabriel and Lucas who have recently begun their walks with the Lord;
2. For Jorge who is studying to be baptized. We had mentioned that Mariana was very close to deciding to be baptized. Since sending the last newsletter she has quit coming to church. She had mentioned needing to change some things in her life and it seems perhaps she was not ready for that. Please

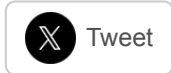

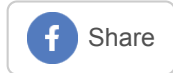

continue to pray for her.

3. For our continued construction efforts on the building (we are currently doing some electrical work) and about to start a couple of other jobs;

3. Please pray for church growth;

4. For the new semester of small groups and School of the Bible that have begun;

5. For our family.
